Looking to offer a prize at different sporting events or add excitement right in your showroom? US Hole In One's sister company, Interactive Promotions Group, offers contest insurance from half court shots at basketball games to direct mail contests for in-store promotions!

Send out direct mailers to your potential customers and if they visit the showroom with the winning piece then they win the grand prize.

Give your customers a chance to win big! Spin the Prize Wheel and if they land on the car slot then they win the grand prize.

We offer a variety of different digital games that are playable on any device, easy to run, and can be custom-designed to complement your brand.

The Dice Roll contest is perfect for dealerships. Pick a word to be spelled out and let everyone take a chance to roll. If someone successfully rolls the lucky word then they go home a winner!
